Rationale: The National Conference on **Women Researchers in Higher Education: Challenges, Visibility & Recognition** aims to understand the challenges and opportunities faced by women in scientific research and promote their active participation. Despite significant progress, women researchers in Algeria face challenges such as gender stereotypes and funding issues. The conference brings together researchers from various disciplines to discuss women's discourse and the power of women in confronting power discourse. It provides an opportunity for dialogue, exchange, and sharing enriching experiences, highlighting the resilience and determination of women in scientific fields.

Résumé: le colloque national sur les **Femmes Chercheuses dans l'Enseignement Supérieur: Défis, Visibilité et Valorisation** vise à comprendre les défis et les opportunités auxquels les femmes dans la recherche scientifique sont confrontées, en réunissant des chercheuses de diverses disciplines pour débattre du discours des femmes et du pouvoir qu'elles exercent face aux discours dominants. cet événement offre une plateforme de dialogue, d'échanges et de partages d'expériences enrichissantes, mettant en lumière la résilience et la détermination des femmes dans les domaines scientifiques.
